December 28, 2004

Tina is a wonderful family member. Tina loves to run and play with her sisters. Her favorite is to ride in the car and stick her head out the window to greet anyone who will say hello! She is a joy to watch because she is always so happy and she loves other dogs! Tina is a sensitive, loving, and thankful pet and is happy about everything. We love her dearly and look forward to adopting another german shepherd.
