Peyton is doing wonderfully. She and Pierce are best pals. It is hard for us to imagine what it was like before we had her around! She is so smart, does well with obedience and loves to go for walks and play in the yard with Pierce and our daughter.

We will definitely have to send recent pictures. Pictures are a challenge, we tried to do a family shot for [our Daughter's] school project and it seemed like we never got one with both dogs in cooperation.

Thanks again so much for allowing us to adopt her. I don't think we will ever purchase another dog from a breeder with all of the wonderful dogs out there like Peyton in need of a home.
